**BEARS  
FOREVER.**

Hello Fellow Exes!

I wanted to take a moment to invite each of you to the upcoming activities for Homecoming 2008, and to encourage you to take the time to renew your Brewer Exes' Association membership sometime during Homecoming Week. Money from these dues provides a scholarship to a Brewer senior each year at the spring Honors Night held in May.

If you are willing and have the time to do more than help provide the scholarship with your annual dues, I would like to encourage you to become an active member in our yearly membership drive. The goal for the Exes' Association this October is to get 100 individual memberships for every decade the association has been in existence. That's 100 from the decades of the 60's, 70's, 80's, 90's and 2000's. Since the decade of the 50's didn't really get to see as many Brewer Bears as the others, we would like to see 50 from that decade. That is an Exes' Association membership of over 500 members. (Sure, we would love to see an association of 5,000 members, but that is a goal for a future day.)

If you would like to help with this year's membership drive, please come to the annual Exes' Business Meeting to be held on Thursday, October 9, the day before Homecoming, and let us know. If you are unable to attend the meeting, please email me at [cwposey@aol.com](mailto:cwposey@aol.com) and I will get you started.

Other goals for the association will be discussed at the annual business meeting for this year. Enclosed you will find an agenda detailing some of those goals.

Again, I would like to encourage you to be a part of this year's Homecoming Festivities and to support your Alma Mater by being involved with The Brewer Exes' Association. We who have roamed the halls of Brewer High and enjoyed the camaraderie of friends who met there are a privileged few in the world, and we should feel honored to call ourselves BEARS FOREVER.

Bears Forever,
